During Meetings: During board meetings, attendees can see and hear all presentations and business taking place. Microphones will be turned off except to receive comment during public hearings and the public comment period.

Public Hearings: Public hearings are generally held separately from Authority board meetings, but there may be exceptions. Please limit comments to those directly related to the public hearing topic.

Public Comment:

- **Purpose of Public Comment** - During this period, the Board members listen to public concerns and comments but do not generally engage in dialogue. Staff will follow up with commenters who request assistance or answers to questions, providing that contact information is shared. Anyone who wishes to speak during the public comment period can take this opportunity.
- **When to Comment** - The public comment period takes place after the executive director’s report. Typically, the public comment period is reached after about an hour but may be sooner or later.
- **Raising Your Hand in Zoom or Through Phone Participation** - To give us a sense of the number of people wishing to speak and help us call on you in an orderly fashion, the meeting Chair will ask you to use the Zoom “raise hand” feature to indicate you would like to speak. People participating on the telephone can press *9 to virtually “raise a hand.” Whether or not you are able to virtually raise a hand, the Chair will provide time and opportunity for all to share their comments before closing the public comment period.
- **Timing of Comments** - We ask that speakers keep their comments brief (2 to 3 minutes). The Chair may ask you to begin bringing your statement to a close after that time, especially if others are waiting to speak. Our intention is not to impose a specific time limit unless it seems necessary to ensure that a sufficient number of speakers have an equal opportunity to express their thoughts.
